

MICHAEL J. GEISER, MBA

AWS Ambassador | Enterprise AI & Cloud Transformation Leader

610-613-9074 | mgeiser@mgeiser.net | linkedin.com/in/mgeiser | Ocean View, DE

EXECUTIVE SUMMARY

- Technology executive and hands-on architect with 15+ years of AWS leadership across enterprise modernization, cloud strategy, cloud migration, and GenAI / agentic solutions.
- AWS Ambassador (one of ~40 in North America), recognized by AWS for technical depth, community leadership, and impact across enterprise engagements.
- Proven builder of global teams and delivery programs (up to 85+ person distributed team; multi-year programs of \$20M+).
- Frequent speaker and author: AWS re:Invent (2024) and AWS Public Sector Summit (2025), plus ongoing publications on modern cloud engineering and AI adoption.
- MBA plus strong technical breadth: 4 AWS certifications, 2 Azure, and 2 Google Cloud credentials.

SELECTED IMPACT

- Delivered high-throughput IoT pipelines processing 5,000+ events/second and designed event-based architectures scalable to ~1B events/day supporting the core business functions for a \$10B enterprise.
- At a Series C startup, reduced AWS annual spend by 56% through usage optimization and service selection.
- Improved availability from 99.1% to 99.995% via HA architecture improvements and disciplined DevOps.
- Designed and ran Capgemini GenAI hackathon environments: 1,800 sign-ups, ~330 AWS accounts, and a ~\$35K event budget; led account/user provisioning and operations.
- For strategic client, I secured ~\$9K in AWS funding to fully cover AWS costs for a client GenAI hackathon (80 participants / 11 teams).

CORE COMPETENCIES

AWS cloud strategy, enterprise migration & modernization; multi-region resiliency; cloud governance & operating models; GenAI on AWS (Bedrock, Amazon Q Developer, SageMaker); platform engineering & DevOps; security engineering & Secure SDLC; cost governance (FinOps); event-driven architectures; executive stakeholder management; presales & deal shaping; global team leadership.

CERTIFICATIONS

- AWS Certified Solutions Architect – Professional (valid through 11/2027)
- AWS Certified Security – Specialty (valid through 6/2028)
- AWS Certified AI Practitioner (valid through 10/2027)
- AWS Certified Cloud Practitioner (valid through 11/2027)
- Azure Fundamentals (AZ-900) (valid through 9/2025)
- Azure AI Fundamentals (AI-900) (valid through 9/2025)
- Google Cloud Digital Leader (valid through 8/2028)
- Google Cloud Generative AI Specialist (valid through 10/2028)
- Cybersecurity MicroMasters (RIT via edX)

PROFESSIONAL EXPERIENCE

Capgemini USA – Philadelphia, PA - Jun 2018 – Jan 2023

Senior Director, Architecture | AWS Cloud Center of Excellence | Jan 2023 – Present

- Lead cloud strategy and maturity engagements for enterprise clients; shape multi-year roadmaps spanning migration, modernization, and GenAI adoption.
- Architect and run global GenAI hackathons, including account/user provisioning, guardrails, cost controls, and operational support at scale.
- Create and deliver executive content for clients and national AWS events; translate AWS capabilities into pragmatic adoption plans and measurable outcomes.
- Shape deals and drive migration/modernization proposals exceeding \$10M.

Director, Architecture | Cloud and Commercial Applications | Jun 2018 – Jan 2023

- Overall technical delivery leader for a multi-year \$20M+ program; served on a four-person joint program leadership team accountable to SVPs/CXOs.
- Built and led a Cloud Enterprise Architecture Group; established reference architectures, design patterns, and delivery standards for applications and operations.
- Led delivery of a high-volume, low-latency, resilient IoT ingestion and transformation backbone on AWS, scalable to ~1B events/day.
- Drove adoption of cloud-native practices, DevOps, and Agile delivery across distributed teams.

Picwell, Inc. – Philadelphia, PA

VP, Engineering | Oct 2017 – Apr 2018

- Set AWS technology roadmap and architecture standards for a cloud-born AI/ML Series C startup in healthcare/insurance.
- Reduced AWS annual spend by 56% through optimization of usage patterns and cloud service choices.
- Introduced Secure SDLC training and automated testing (security, integration, regression) to improve delivery quality and risk posture.

Medecision (Health Care Service Corporation subsidiary) – Wayne, PA

Director, Engineering | Mar 2016 – Oct 2017

- Developed and advanced the organization's AWS cloud strategy aligned to business goals and regulatory requirements.
- Led strategic initiatives using geographically distributed teams; managed vendor contracts and SOWs for both fixed-term and recurring engagements.
- Directed roadmap planning, deployment, and maintenance of infrastructure and applications; partnered with security leadership to embed cybersecurity into SDLC.

Trion Group (Marsh McLennan Agency) – King of Prussia, PA

Director of Application Development | Aug 2014 – Dec 2015

- Led engineering for a new SaaS healthcare benefits administration platform delivered under aggressive timelines.
- Designed and implemented HA/BC on AWS, improving uptime from 99.1% to 99.999%.
- Improved software quality, reducing production defects by 50% through code quality and process changes.

eBay Enterprise – King of Prussia, PA

Lead Technical Manager | API Management Framework | Nov 2009 – Aug 2014

- Product owner and senior leader in a multi-channel group supporting 1,000+ brands and ~\$4B in annual e-commerce transactions.
- Managed teams of 65+ contributors across the US, Germany, Ukraine, and India; delivered programs generating ~\$100M incremental top-line sales.
- Created an IT-wide career path program improving hiring velocity (15 fewer days to fill) and reducing attrition by 30% over two years.
- Led Agile adoption and cultural transformation initiatives across teams and programs.

AWARDS & LEADERSHIP

- AWS Ambassador (North America) – inducted July 2025.
- Capgemini Account of the Year: Manufacturing, Automotive, & Life Sciences (2022).
- Capgemini Global “Winnovation” Award (2020).

EDUCATION

- MBA, Keller Graduate School of Business (4.0 GPA), Sigma Beta Delta Honor Society.
- B.S., Technology Management, DeVry University (4.0 GPA), Summa Cum Laude.

PUBLISHED SOFTWARE

- Chrome Web Store: “QR Code URL Parser” browser extension.
